Why Samsung OLED TV?

Samsung OLED TVs are for anyone seeking intense blacks. Pristine whites. True-to-life colours. Samsung's AI technology elevate OLED TVs into new heights of boldness and immersion. They deliver sharp, detailed pictures with deep blacks, even in dark scenes, and accurate, natural colours that bring content to life. Plus, Samsung Knox Security automatically protects your streaming passwords and blocks unsafe websites, keeping your personal information safe from the moment you turn it on.

Dual Cook Flex

2 Small or 1 Big Oven, upper and lower zones work independently. Different temperatures and time settings allows for flexible cooking.

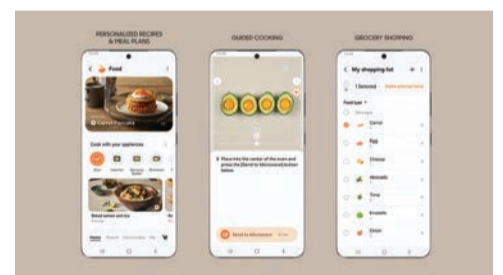

Air Fry

Enjoy healthier fried food without a deep fryer. Air Fry combines a special tray with hot air circulation that envelops food. It is the ideal way to cook to eliminates excess fat, but everything is still crispy and brown outside and juicy inside.

SmartThings Food

SmartThings Food saves time and minimises the burden of cooking. By understanding your needs it recommends personalised recipes and creates a weekly meal plan.
